

Wardie ELC Weekly Update

21st February 2025

Learning Taking Place

- **Shape** - We have been looking at shape this week, both 2D and 3D shape. Next week we will begin to play more shape games, such as 'What's in the bag?' where the children will put their hand in a bag and, just by using their sense of touch, try to guess what the shape is.

- **Songs, rhymes and music** - The children have been enjoying using the musical instruments and singing nursery rhymes whilst playing music. They have also been making their own musical instruments at the art area using junk modelling resources. We will continue this by exploring other ways in which we can make music without using an instrument and will continue to learn new rhymes and songs. If you can play an instrument and would like to come into the nursery to play for us to support the children's learning, please let a member of staff know and we can arrange a time for you visit.

Nursery Times

Monday to Thursday:

8.50am to 3.20pm (doors will open at 3.05pm)

Friday:

8.50am to 12.50pm (doors will open at 12.40pm)

If you wish to pick up your child earlier than 12.40pm, please come to the nursery between 12pm and 12.15pm. Staff will be available to collect your child from inside the nursery and bring them to you at the door with their belongings. Please do not ring the buzzer as this disrupts the children who are not getting picked up early and can cause them upset, thinking that their families are running late for them.
