

Wardie Primary School– Block 1 Newsletter - P7

As the session progresses, it is envisioned that further opportunities for learning will present themselves and plans remain flexible to accommodate pupil voice and events

Curriculum Coverage:

Literacy – Weekly spelling, grammar, handwriting & reflective reading tasks in groups. Exploring the features of different genres. Imaginative writing.

Numeracy – Place value, decimal fractions, adding, subtracting and multiplying whole numbers, rounding & estimating. Multiples, factors and prime.

Expressive Arts –Music, Art & Drama linked to our creative writing focus (desert island theme).

HWB – P.E. lessons on leadership skills & fitness, RSHP topics; this can be accessed online at [RSHP.scot](https://rsnp.scot). Primary 7 leadership groups (to be led by the children – watch this space!)

Social Studies – Sustainability: renewable energy, our future planet (fast fashion focus).

Spanish – A Spanish language ambassador from Trinity Academy will be visiting to consolidate vocabulary.

Tech – Core programming concepts: Using OneNote.

Science – Light & Shadow.

learning for sustainability

Outdoor learning

play

digital learning

Through their leadership focus, Primary 7 will be devising their own leadership groups and engaging with the global goals across a range of contexts, including but not limited to: goal 10 (reduced inequalities), goal 8 (work & economic growth), and goal 12 (responsible consumption and production).

.....
We will be engaging with goals 11 (sustainable cities and communities), and 12 (responsible consumption and production) through our sustainability topic where we will explore renewable energy and fairtrade.

.....
We will have lots of opportunities for outdoor learning and play based experiences with our buddies in Primary 2.

.....
We will be exploring coding & programming language this block. Digital literacy will include using OneNote and touch typing.

Ethos and Wider Community

Weekly whole school assemblies
Development of School Library
Year group trip to the Risk Factory – (2nd September 2026)
Sharing Information with parents at open evening
Primary 2 Buddies

Wardie Primary School – P7 - Term 1 Home Learning

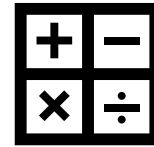

Home Learning at Wardie

As always, we encourage pupils to complete home learning tasks however understand that there may be times when it is not possible.

If you have any questions or difficulties with home learning, please do not hesitate to get in contact with us to discuss solutions.

As the session progresses, it is envisioned that further opportunities for home learning may present themselves. Accordingly, there may be the occasional task or change to the weekly routine to accommodate pupil voice, community events and other matters.

Maths

P7 can use Sumdog to practise their numeracy skills. Games will also be set on Sumdog, based on skills that your child is learning in class or prior skills to consolidate. P7 have their login details (any problems, please let us know).

Spelling

A new spelling pattern will be taught every week, and your child can find their pattern for the week in the spelling folder of their class notebook (on Teams). Pupils can choose from the range of activities given during the week to practise their spelling pattern. This will include a mix of online and written activities.

Reading

Reading will be set on a Thursday and asked to be completed by the following Monday. This will be a manageable amount of reading intended to be mostly independent. Primary 7 children will find their chapters in their class notebook under content library – home learning – the date.
