

Wardie Primary School P3 – Home learning

Home Learning at Wardie

As always, we encourage pupils to complete home learning tasks however understand that there may be times when it is not possible.

If you have any questions or difficulties with home learning, please do not hesitate to get in contact with us to discuss solutions.

Maths and Numeracy

Games will be set on Sumdog, based on skills that your child is learning in class or prior skills to consolidate. Login details are in your child's jotter.

Reading

New reading books will go home on a Friday and should be returned the following Friday.

Spelling

Your child will learn a new spelling pattern each week and will bring home a list of these words each week. There is a grid of suggested activities in the front of their jotter and pupils can choose any activity to practise their spelling pattern. Homework will be sent home on a Tuesday and should be returned the following Monday.

Wardie Primary School P3 – Term 1 Newsletter

As the session progresses, it is envisioned that further opportunities for learning will present themselves and plans remain flexible to accommodate pupil voice and events

Curriculum Coverage:

French – greeting, numbers to 20 and body parts.

learning for
sustainability

Outdoor
learning

play

digital
learning

Through our Human Body Topic we will focus on Global Goal 3 'Good Health and Wellbeing'.

We will explore symmetry and shape using our outdoor environment. We will also use outdoor learning to develop a practical knowledge of the Human Body.

We will use active learning approaches and continue to have opportunities to learn through play.

We will continue to use digital technology across the curriculum to support and extend learning in the classroom.

Ethos and Wider Community
